

Squamish-Whistler-Pemberton Rural Maternity Care Skills Update

September 29/06 from 1 to 5 &

September 30/06 from 8 to 4

Physicians, Midwives, & Nurses

The UBC Collaboration for Maternal and Newborn Health would like to invite you to an exciting workshop in Whistler to update your obstetric skills.

*This is a **Free** workshop for care providers.*

Workshop covers current topics in:

Antepartum and Postpartum Care

Maternal Stabilization for Transport

Giving Birth

Obstetric Emergencies with practice stations

Come and meet your local colleagues to update your skills!
